**About JSAMA**

The TKU-ECUST-KIST-OMU-UH-IHU-KMITL-UTAR-TNU Joint Symposium on Advanced Materials and Applications (JSAMA) takes place in Asia annually and is hosted in turn by Tamkang University (TKU), East China University of Science and Technology (ECUST), Osaka Metropolitan University (OMU) (OPU was merged with Osaka City University into OMU in 2022), Korea Institute of Science and Technology (KIST), University of Hyogo (UH), Inha University, Korea (IHU), King Mongkut's Institute of Technology Ladkrabang, Thailand (KMITL), Universiti Tunku Abdul Rahman (UTAR), and Tay Nguyen University (TNU).

At the JSAMA meeting, all aspects of advanced material science are presented and discussed by both professionals and students who are working in academic and institute fields in Asia. The JSAMA meeting is also open to the world's materials science community. Previous JSAMA meetings were successfully held in Seoul, Korea in 2011; Osaka, Japan in 2012; Shanghai, China in 2013; New Taipei, Taiwan in 2014; Seoul, Korea in 2016; Osaka, Japan in 2017; Shanghai, China in 2018, and New Taipei, Taiwan in 2019. Although the 9<sup>th</sup> JSAMA has been postponed due to COVID-19 pandemic, we are pleased to inform you that it will be held at University of Hyogo in Himeji, Japan, during Aug.31-Sep.2, 2023. **In Himeji, we welcome Ho Chi Minh City University of Food Industry (HUFI) to this symposium, and the title is changed to "The 9th TKU-ECUST-KIST-OMU-UH-IHU-KMITL-UTAR-TNU-HUFI Joint Symposium on Advanced Materials and Applications (JSAMA-9)".**

## Organizing Committee

- **JSAMA Founder**

Masakazu Anpo (Editor-in-Chief of Research on Chemical Intermediates)

- **JSAMA Advisory Board**

San-Lang Wang (TKU)

Jinlong Zhang (ECUST)

Chie Kojima (OMU)

So-Hye Cho (KIST)

Tohru Yamasaki (UH)

Wan-In Lee (IHU)

Ittipol Jangchud (KMITL)

Choon Aun Ng (UTAR)

Anh Dzung Nguyen (TNU)

Nguyen Tan Phong (HUFI)

- **JSAMA-9 Organizing Committee**

Symposium Chair: Hironori Fujisawa (Department of Electronics and Computer Science, UH)

Co-Chair: Nobuhiro Kawatsuki (Department of Applied Chemistry, UH)

Local/Program Committee Members:

Yoshiaki Matsuo (Department of Applied Chemistry, UH)

Hiroki Adachi (Department of Materials and Synchrotron Radiation Engineering, UH)

Jun-ichi Inamoto (Department of Applied Chemistry, UH)

Eri Miura (Department of Materials and Synchrotron Radiation Engineering, UH)
